R1 VHF Radio Battery Pack 84-100

Distributor: Orolia Ltd
Silver Point, Airport Service Road, Portsmouth, UK
PO3 5PB

Contact: +44 (0) 23 92623900

Description: the product is a battery pack for a marine Portable Survival Craft Two-way VHF Radiotelephone Apparatus. It contains four small hermetically-sealed pressurised primary Lithium – Manganese Dioxide cells. The pack has its own plastic casing which incorporates physical and electrical short-circuit protection.

Use Information

The product has a limited service life: see label for expiry date.

The product contains no user-serviceable parts.

DO NOT ATTEMPT TO DISMANTLE.

DO NOT ATTEMPT TO RECHARGE THE BATTERIES.

Hazardous Substances

Under EC and US legislation this product is classified as a manufactured article, which does not result in exposure to any hazardous chemicals under normal conditions of use. As such the product does not require a Material Safety Data Sheet, and the following information is provided as a courtesy:

The total Lithium content of the product is less than 4.0 g. The cells within the product contain the following active ingredients, by CAS number and name:

1313-13-9	Manganese Dioxide
108-32-7	Propylene Carbonate
110-71-4	1,2-Dimethoxy Ethane
7439-93-2	Lithium Metal
33454-82-9	Lithium Trifluoromethane Sulfonate
96-49-1	Ethylene Carbonate

No chemical hazard will be posed as long as the cells remain in their sealed condition.

This information is given in good faith, and is believed to be accurate at the date of preparation. Orolia Ltd makes no warranty, either express or implied, with respect to this information, and disclaims all liability from reference on it.
